This course is intended for candidates preparing to write the Orthopaedic division's intermediate practical examination.

Eligibility: Candidates must have completed the level 3 upper **and** level 3 lower course by **December 31, 2019** in order to participate in the coaching sessions.

Purpose: To **refine** manual skills and the clinical reasoning process in order to prepare the candidates for the IPE.

This prep course will prepare the candidates for the IPE in the following way:

Practical Exam: Practical techniques will be reviewed at each class with focus on refining hands on skills. **New techniques will not be taught** as it is **expected that the candidates have learned all techniques during the level 1-3** courses. Mock exams will be given to help prepare for the oral/practical exam.

Mentorship Hours: 40 hours of mentorship is provided through the in class coaching sessions. The candidates are responsible for attaining the remainder of the 15 clinical mentorship hours and the 35 non-clinical hours on their own. The total of 90 mentorship hours must be completed by January 31, 2020.

Location: Adelaide West Physiotherapy Clinic. Please see <http://physiotherapytoronto.com/contact/> for directions.
